

UP25MD A6 Color Video Printer

Pricing available upon request

UPC: 027242258723

Weights & Measures: 12.6lbs.,

Overview

The compact, high-speed medical device delivers excellent quality, durable, 423 dpi resolution prints in less than 20 seconds and easily integrates with other video equipment with its slim 8 3/8" form factor. The new printer's convenient front-panel design offers user-friendly menus, flexible color adjustment and two user presets. The new device supports both 1080i and 720p signals which are automatically detected by the printer. An added LED notifies the user of data transmission and print cartridge status.

Highlights

- * Slim Compact Design
- * Ideal for Medical Carts; Easily Integrated
- * Versatile Analog Video Inputs and Outputs
- * HDTV signal support – 1080i and 720p automatically
